

## Let It Snow

Oh the weather outside is frightful,  
But the fire is so delightful,  
And since we've no place to go,  
Let It Snow! Let It Snow! Let It Snow!

It doesn't show signs of stopping,  
And I've bought some corn for popping,  
The lights are turned way down low,  
Let It Snow! Let It Snow! Let It Snow!

When we finally kiss goodnight,  
How I'll hate going out in the storm!  
But if you'll really hold me tight,  
All the way home I'll be warm.

The fire is slowly dying,  
And, my dear, we're still good-bying,  
But as long as you love me so,  
Let It Snow! Let It Snow! Let It Snow!

## The Clark Family Presents A Christmas Concert to

# *Remember*

Saturday December 16th, 2017

## Solo Piano Performance Hye Yeon Hwang

**The Lord's Prayer** ..... Albert Hay Malotte  
(arr by Hye Yeon Hwang)

This piece was composed by Albert Hay Malotte (1894-1964) an American pianist, composer and educator. The Lord's Prayer is one of the most spoken prayers and this soulful melody makes this a deeply moving selection.

**Widmung (Dedication)** ..... Robert Schumann/Franz Liszt  
Robert Schumann, the mad genius of the Romantic Period, wrote this beautiful melody as his wedding dedication to his beloved Clara. The emperor of the piano at that time, Franz Liszt, arranged the melody as a piano solo. Personally, every time I hear this played I feel deeply emotional. I dedicate today's performance with all my heart to my dearest Mother who first taught me the piano, and to all of you here today.

**Adios Nonino (Tango Rhapsody)**..... Astor Piazzolla  
By incorporating elements of jazz, classical and extended harmonies and compositional forms, Astor Piazzolla is best remembered for his *nuevo tango*. This terribly sad melody was written in October of 1959 while in NY, in memory of his Father who had just recently passed away a few days earlier. It has a mysterious air, a melody that plays off a very strong rhythmic foundation, then it changes key and finally that glorious ending with a sad resolution. My hope is that we can all, once again, think about family love on Christmas.

**Love Affair** ..... Ennio Morricone  
(arr by Hye Yeon Hwang)  
!994 Love Affair Original Sound Track. One of the most beautiful romantic love themes of all time. A beautiful song to soothe the soul.

**Embraceable You**..... George Gershwin  
(arr by Earl Wild)  
Embraceable You a beautiful George Gershwin composition, however Earl Wild, a great American pianist and contemporary composer gives the piece a new dimension with his arrangement for the solo piano.

**The Christmas Song** ..... Mel Torme  
(arr by Hye Yeon Hwang)

**Give Love on Christmas** ..... Jackson 5  
(arr by Hye Yeon Hwang)

**Oh Holy Night** ..... Adolphe Adam  
(arr by Hye Yeon Hwang)

## Special Guest Stella Choi Accompanied by HyeYeon Hwang

**The First Noel**..... William Sandys and Daves Gilbert

**Silent Night**..... Franz Xaver Gruber

**Joy To The World** ..... George Frideric Handel

## Solo Piano Performance JC Clark

**God Rest Ye Merry Gentlemen**..... Old English  
A very old Christmas Season carol which can be sometimes sad, dynamic and expressive.

**You and the Night and The Music**..... Arthur Schwartz/Howard Deitz  
For the party person in everyone. Enthralled with the night and wishing the frivolity and happiness would last into the daylight.

**East of the Sun** ..... Brooks Bowman  
Originally a Princeton University theatre production piece for "Stags at Bay". Romantic and full of hope. Just right for the season

**Have Yourself A Merry Little Christmas** ..... Hugh Martin

**The Raven**..... JC Clark  
A JC Clark original composition written and performed in Korea for many years. A mysterious melody to brighten the holiday.

## Sing Along

**Let it Snow** ..... Jule Styne/Larry Kahn
